

Manufacturer's Declaration

to directive 2014/68/EU (Pressure Equipment Directive)

We hereby declare under our sole responsibility that the

- 2/2 way valves of the series

8315xxx

and the additional models and special designs derived from these

849XXXX 859XXXX

to which this declaration relates are in conformity with directive 2014/68/EU and have been subjected to the following procedure for assessing conformity:

- Internal production control (Module A2) acc. to certificate 0045/202/1403/Z/00598/22/D/001(00) of the notified body 0045

Notes on Directive 2014/30/EU (EMC)

Solenoids are passive inductive components within the meaning of the EMC Directive and as such are not covered by Directive 2014/30/EU.

- After interconnection with other controlling electrical devices, the electromagnetic compatibility of the entire system must be checked in accordance with the above-mentioned directive. Ensure that the requirements of the EN 61000-6-x series of standards are met in accordance with the application.

Note

A CE marking in accordance with the Pressure Equipment Directive is not required. Inspection is carried out by the notified body with the ID No. 0045 (TUV Nord). The areas of application of the pressure equipment can be found on the type plate and in the relevant operating instructions.
